Alabama JROTC 2022 State Conference Keynote and Workshop Preview

The Power of Choice – Kyle Quilausing, Keynote Speaker

Born in Hilo, Hawaii, Kyle's upbringing was ideal. He describes being brought up by his grandfather with strong morals and ethics. However, as a senior in high school, Kyle was expelled from school and this became the catalyst for a downward spiral that eventually led him to become a 98-pound crystal meth addict and labeled as a menace to society. Kyle's addiction ultimately led him to spend a decade behind bars. At what might be considered his rock bottom, he dedicated himself to his sobriety (Kyle is over fifteen years sober).

Today, Kyle champions the importance of every choice we make. He teaches students to embrace life's possibilities, change negative behaviors and patterns, and achieve freedom through deciding to make positive choices for their present and future.

Developing a Leader Mentality – Dominica Chavez, TEAMTRI

Go One More. Service Before Self. Improvise, Adapt, and Overcome. These are a few of the many phrases that can be used to characterize a leader's mentality. In this workshop, you'll learn to not only apply these phrases in your own life, but develop an understanding of how to thrive under pressure like an Olympic athlete, use challenges to become a better leader, and plan short-term goals to achieve long-term aspirations!

Unity through Leadership – 2022 JROTC State Officers

Join your Alabama JROTC State Officer for a collaborative, engaging, and inspiring workshop on unity! Through a hands-on activity, enriching discussion, and much more, you can expect to learn how to unite your unit, how to become a better citizen, and how to implement new skills in and out of JROTC!
